

BREEDER'S LIST & KITTEN LIST REGISTRATION

Revised wording of undertaking:

"I undertake to abide by the GCCF's Code of Ethics and the recommendations* of the Russian Blue Breeders' Association and sell only registered** kittens which are fit, healthy, fully inoculated against feline infectious enteritis (FPV) and cat 'flu (FHV and FCV), and at least 13 weeks of age, the kittens not leaving home until seven days after completing the full vaccination course.

I also agree to follow the recommended best breeding practice set out in the Russian Breeding Policy***.

*And any further requirements to comply with future GCCF rules/recommendations

**Registered individually with the GCCF (or other equivalent registration body for overseas breeders)

***The Russian Breeding Policy can be viewed at:

www.russianblue.org.uk/pdfs/RussianBreedingPolicyJune16pdf. The RBBA recommends that breeders re-read the policy at least once a year.
