WELCOME TO OUR 37TH CHAMPIONSHIP SHOW

We will be sharing our show with the Korat and Thai Cat Association so please make them very welcome.

In memory of the late Mrs Jill Jackson who was the Chairman of the RBBA for 25 years and our president Mr Trevor Tuner we have added in a memorial class to be judged on coat and condition.

The Sashova/ Val Price class will be judged on temperament alone.

Entry will be via your GCCF online account. Please contact me if you are at all unsure and I will help you through it

We plan to do our own catering again this year, so unfortunately there will be no hot food available. We will however offer hot beverages and cakes.

Donations of cakes/goodies on the day will be most welcome.

In an effort to save costs and the planet we will not be offering rosettes for miscellaneous classes this year, but prize cards instead.

We will have a few miscellaneous rosettes available and if anybody wishes to donate any rosettes from previous years, these will be gratefully received for re-distribution.

If time permits one of our breeder judges will give a demonstration on the day of what they look for in a Russian and Korat.

Naturally we still need your entries, class sponsorship and entries for the photo competition. Donations for the raffle etc will be gratefully received. Please come, bring a cat (or two) if you can and enjoy your day.

All exhibits must have a white litter tray, white blanket, white water and food bowl. These can be obtained from www.crystalclearpet.com.

A limited amount will be available on the day. Please email me to reserve.

Look forward to seeing you at the show.

Anne Murray-Brooks.

All correspondence must be accompanied by a SAE if a reply is required. Any complaint related to the show must be forwarded to the Show Managers within seven days of the show.

NOTICE OF CHANGE

Will be placed on the Club and GCCF websites.

JUDGING AND JUDGES

Judging will commence at 10.00 am and Exhibitors will be requested to clear the hall until 12.30 pm, while the Breed Classes are being judged. Judges are empowered to withhold any prize, award or certificate, in any class, if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slip and not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, nor enter into conversation with a Judge, until that Judge's engagement is complete.

In the event of a change of Judge of a Breed Class occurring after the closing date of the show, providing the exhibitor informs the Show Managers prior to Judging, that a certificate has previously been awarded by the replacement Judge, the Show Managers shall appoint one other Judge who shall Judge the cat, and if the cat is considered worthy, countersign the certificate which shall then count towards the award.

If the replacement Judge at the first show has also previously been booked for a subsequent show, the closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this Judge can be regarded as a replacement Judge for the purpose of requesting a countersignature.

BOOSTER VACINATIONS & SHOWS

At the Council Meeting on 6th November 2021 a temporary amendment to GCCF Rule Section 5/3a proposed by the Veterinary Advisory Committee was approved, which effectively allows a 3-month extension to the permitted booster interval for adult cats attending shows. To attend shows, adult cats, who have completed the primary vaccination course, must have had a vaccine within the 15 months and 7 days (changed from 12 months and 7 days) preceding the show. This concession is temporary until vaccine supplies are back to normal.

Please note the concession does not apply to kittens and to young adults. The interval between 2nd kitten vaccination and 1st adult vaccination given at around 15 months must still not exceed 12 months and 7 days. The VAC do not consider it safe to change the rule for kittens and adolescent cats.

The revised wording of the relevant section of Rule 5/3a is as follows:

AMENDMENTS TO NOTE 2 THAT GIVE A TEMPORARY EXTENSION OF THE BOOSTER VACCINATION INTERVAL IN ADULT CATS WHO HAVE COMPLETED A 3 DOSE PRIMARY COURSE

VALID FROM 06/11/2021 UNTIL FURTHER NOTICE DUE TO TEMPORARY SHORTAGE OF FELINE VACCINES

Every adult cat attending a GCCF show must have had a minimum of a Flu (FCV,FHV) booster in the 15 months and 7 days preceding the show. Cats whose last booster was given more than 15 months and 7 days before the show will be rejected under Section A.

NB: The existing rule in relation to the 3 dose primary course and FPV vaccination in adult cats will still apply. These sections have been reworded for extra clarity.

TITLE & BREED CLASS ENTRY

At the Council Meeting on 17th July 2021 a decision was made to allow exhibitors of titled cats the choice of **entering either the class for the title the cat is working towards or the class for the title the cat has already achieved.**

For example a cat that has achieved the title Grand Champion can enter either the Imperial class or remain in the Grand class.

This change has now been implemented across GCCF systems and procedures.

ENTIRE MALES

The use of chemical contraception with veterinary supervision is acceptable in the interests of welfare and is not considered as show preparation. Exhibitors with male cats that have received hormonal injections for contraceptive purposes are advised to have evidence of this with them to show to the Duty Vet should any testicular abnormality be queried (amended 21.10.2015)

IMPORTANT

A few details to be aware of for our shows this year. All entries are on-line through your GCCF login. Paper entries will not be accepted. Please contact the Show Manager if you do not have online access as help will be provided to enter the shows :-)

The show hall will open at 08.00. Vetting in will finish at 09.45 and judging will begin at 10.00.

WELFARE

RUSSIAN BLUE BREEDERS' ASSOCIATION

run their own Welfare Committee for the rescue and care of needy Russian cats.

The Committee, which is run in conjunction with the main Committee, is concerned with the re-homing of Russians who have "fallen on hard times".

If you hear of any Russian in need of rescue
- or simply extra care and attention -
we would be grateful to be given news of them.

In the same way, if you have space in your life for a rescued cat - or particularly an older cat - we would be most pleased to be contacted.

Please Note:

This is NOT a "For Sale" office but is only for the Welfare of Russian Blues in need of help.

If you NEED help or you CAN help, please contact:
